

REMARKS

In an Amendment filed on April 11, 2205, applicants requested that the title in the above-referenced matter be replaced with --METHOD AND APPARATUS FOR PROVIDING END-TO-END LEVEL OF SERVICE IN MULTIPLE TRANSPORT PROTOCOL ENVIRONMENTS--.

Upon reviewing the file and the Notice of Allowance, it was noted that the Examiner has not accepted/acknowledged the title change. The applicants respectfully request that a Supplemental Notice of Allowability be issued with the amended title. If questions remain, the Examiner is invited to contact the undersigned at (206) 757-8029.

Respectfully submitted,

Davis Wright Tremaine LLP
